OBJECTIVES

Some sections of the Interagency Incident Business Management Handbook (IIBMH) do not apply to Idaho Department of Lands (IDL); Montana Department of Natural Resources and Conservation (MTDNRC); or North Dakota Forest Service (NDFS).

Agency-specific information for IDL, MTDNRC and NDFS can be found by subject matter within each supplement. For example, Emergency Firefighter pay rates for Montana and North Dakota can be found in the Chapter 10 supplement; contract administration for city, county and rural fire departments and other pertinent state-specific information can be found in Chapter 50 (Cooperative Relations) supplement. If there are questions regarding agency-specific business management issues, contact:
